Solid-State Lighting

to be published in a

Special Section in the *Journal of the SID*

The *Journal of the SID* is soliciting original contributed papers describing advances in **Solid-State Lighting** to be published in a Special Section in the fourth quarter of 2011. Submissions on all aspects of solid-state lighting are encouraged, including:

- **Solid-State Lighting including OLED and LED**
- **Solid-State Lighting System Technology**
- **Lighting Control Systems and Methods**
- **Novel Light Sources**
- **Optical Methods and Optical-Engine Designs**
- **Illumination Systems; Flat or Flexible**
- **Ambient Lighting and Display Interaction**
- **Display Backlights**
- **Lighting Perception and Quality of Light**
- **Lighting Measurements**

Co-Guest Editors for this Special Section are **Dr. Daniel den Engelsen**, visiting professor at Brunel University (London, UK) and Southeast University (Nanjing, China), and **Dr. Kälil Käläntär**, senior scientist, Global Optical Solutions, Japan.

Authors are invited to submit manuscripts online in electronic format to the *Journal of the SID* by following the instructions listed under the **Information for Authors** tab on the JSID Web page, or at <http://sid.aip.org/jsid>. Authors submitting their manuscript must identify their manuscripts as being submitted for the Special Section on **Solid-State Lighting** by selecting **Dr. Daniel den Engelsen** or **Dr. Kälil Käläntär** as the guest editor. The **Information for Authors** document provides a complete set of guidelines and requirements required for the preparation and submission of a manuscript.

Deadline for the submission of manuscripts is
August 1, 2011.

All inquiries should be addressed to:
