EVENTS

Eurodisplay 2013
(33rd IDRC), London,
Imperial College, 16-
19 September 2013

The Eurodisplay conference takes place each second year. It is organized by one of the European chapters of the SID (2013 organized by the UK & Ireland Chapter).

Eurodisplay is the largest display conference in Europe. This year about 200 people participated. Due to the popular asian moon-festival there were only few participants from this region.

The conference was hosted by Imperial College London. The conference consisted of 2 parallel session (80 talks), a poster session (30 posters) and an industrial exhibition.

The conference was opened by a welcome from Brian Berkley (SID president).
