### **Special Section in the *Journal of the SID***

The *Journal of the SID* is planning a Special Section on 3-D Display Technologies to be published during the second quarter of 2008. **We are soliciting original contributed papers describing advances in a wide variety of designs, structures and components, for 3-D Display Technologies.** Suggested topical areas include:

- ***3-D Display System Hardware***
- ***3-D Display System Software***
- ***3-D Display User Interface***
- ***Stereo Image Generation***
- ***Autostereoscopic 3-D Displays***
- ***Projection 3-D Displays***
- ***Volumetric 3-D Displays***
- ***3-D Display Applications***
- ***Use of 3-D in Medical Imaging***
- ***Testing Methods for 3-D Displays***

The **Guest Editor** for this Special Section dedicated to 3-D Display Technologies is **Adi Abileah** from Planar Systems, Inc., Beaverton, OR, USA.

Authors, please electronically submit your complete manuscripts on-line to the *Journal of the SID* by following the instructions listed under the **Information for Authors** tab on the **SID Web Page** <http://sid.aip.org/jsid>. Authors submitting their manuscript on-line have to identify their manuscript as one submitted for the Special Section on 3-D Display Technologies and need to select Adi Abileah as their guest editor. The **Information for Authors** describes the complete guidelines required for the preparation and submission of your manuscript.

**The Deadline for the submission of manuscripts is  
December 15, 2007.**

All inquiries should be addressed to **Adi Abileah**
