### SID-ME SPRING MEETING 2018

17/04/2018 - 18/04/2017

#### PAST EVENT

The SID-ME Spring Meeting took place April 17th and 18th in Jena – Germany - and was hosted by the Fraunhofer Institute for Applied Optics and Precision Engineering IOF.

One day of the meeting took place at the Leuchtenburg Castle and one day at the Fraunhofer Institute for Applied Optics and Precision Engineering in Jena. It started with a keynote from Frédérique Chesterman, Barco, Belgium on „Novel Display Technologies for High-end Medical Applications: OLED and 3D“. Followed by sessions on Displays, Liquid Crystals, and Display Application the first day at the Leuchtenburg Castle continues. A guided tour through the castle and a „knights dinner“ closed the first day.

One day of the meeting took place at the Leuchtenburg Castle.

The second day closed with a scientific tour through the labs.

The second day continues at Fraunhofer IOF with sessions on Display coatings, Display metrology, and Applications. During the breaks interesting display technologies and application were exhibited. The SID-ME student award was granted in the afternoon (see extra chapter in this newsletter). The meeting closed with a scientific tour through the labs of the Fraunhofer IOF.

At the meeting 16 presentations were given, attendees from 6 european contries participated. As the meeting was announced quite late, less than 50 SID-ME members participated. Nevertheless, it was an interesting, innovative, and successful meeting.

At the meeting, attendees from 6 European countries participated.

Marta Kazimierska received the 2018 SID-ME Student Award.

### SID-ME STUDENT AWARD 2018

The SID-ME student award was granted at the Spring Meeting 2018 to Marta Kazimierska (Friedrich Schiller University Jena) for her work on “Spatial light modulators in non-rotationally symmetric imaging systems”.

### OFFICERS ELECTION 2018

At the Spring Meeting 2018 the annual general meeting of the SID Mid European Chapter took place. All officers applied for an extension of their position, the quorum elected them by hand rising. The actual officers are listed at the end of this newsletter.

A presentation by Prof. Dr.-Ing. Rigo Herold.

### Student Branch - BECOME A MEMBER!

There is still an important growth potential in the number of student members. At <http://www.sid.org> you can find information on SID student membership. Students pay only \$5 membership fee and are entitled to most of the benefits, such as accessing the reference database and accessing the Journal of the Society for Information Display.

The next award session is scheduled for the next SID-ME meeting 2019 in Eindhoven. More details, such as the deadline for submission and the composition of the Award Committee, will be announced on the SID-ME website.

### The Newsletter

This newsletter as well as the older issues are also available online at: <http://www.sid.org/Chapters/Europe/Mid-Europe.aspx> If you want to place an article in the Newsletter, which is interesting for the Mid European Chapter of the SID, please send it by e-mail to: [c.westeinde@ndf.eu](mailto:c.westeinde@ndf.eu).
