3. Prospects of OLED in Russia – Corresponding Member of RAS Boris Gribov, Angstroem, Zelenograd

4. Discussion

**3. Meeting of Chapter Committee.** April 11, 2005. Lebedev Physical Institute. Attendance: 5 SID members (Victor Belyaev, Igor Kompanets, Maxim Tomilin, Vladimir Kuklev, Vladimir Maschenko)

Main topic of Agenda – Discussion of 1<sup>st</sup> Information Letter on 15<sup>th</sup> International Symposium Advanced Display Technologies and Symposium Committees.

A proposal on a Special Award for outstanding achievements in display technologies for Russian and Oversea Scientists has been discussed too. It could be Award or Medal in honor of Zvorykin, a Russian inventor of a TV set who lived many years in USA. A statement of this Award should be elaborated by SID Russia Chapter after a discussion at SID Committees.

**4. International Students and Post-Graduates Students on Basic Sciences**

**LOMONOSOV'2005**, Section Chemistry (Display Science and Applications). April 2005, Moscow Lomonosov State University. Two awards 1000 and 1500 rubles (\$350 and \$500 respectively) have been established by SID Russia Chapter for best students' reports. Responsible person - Vladimir Maschenko.

**5. Discussion of possible cooperation SID Russia and SEMI Association to organize 15<sup>th</sup> International Symposium Advanced Display Technologies.** April 27, 2005. Victor Belyaev and Tatyana Yaroshenko.

SEMI has its own CIS event on September 25-27, 2006 in Moscow. Therefore the joint event may take place at the same time in Moscow or on September 28-29, 2005 in Saint-Petersburg. The duties of both offices are to be discussed.

**6. Collecting presentations to 14<sup>th</sup> International Symposium Advanced Display Technologies** to be held in October 2005 in Crimea, Ukraine. Responsible persons – Igor Kompanets, Vladimir Maschenko.

**7. Up-Dating Chapter web-site** within [www.sid.org/chapters/europe/russia/russia](http://www.sid.org/chapters/europe/russia/russia).

**8. Actions planned.**

- a) Idea Contest with Samsung Electronics
- b) A topical meeting in a Russian region

Chapter's problems/remarks, if any

a) A support from the SID for permanent Chapter web-site up-grading is needed. Evaluation of year cost is \$500 including salary to invited engineers for collection, editing, and translation of materials, processing of electronic pictures, site up-grading etc.

b) Funding of such events like **International Students and Post-Graduates Students on Basic Sciences LOMONOSOV'2005** to award young and adult specialists in the field of display technologies. Evaluation of year cost is \$500.

Report submitted by: Victor Belyaev, Chapter Director      May 4, 2005
